

MGC Clubhouse Monthly Spending Policy

Effective April 1, 2025

Approved by the MGC Board of Directors - January 27, 2025

To enhance the social experience and maintain the high standards of our clubhouse, all members (Class B - Full, Class C - Legacy, and Class D - Social) are required to meet a minimum monthly spending commitment in the clubhouse (Class E - Juniors and Monticello High School memberships are exempt). This policy ensures that the clubhouse remains a vibrant, enjoyable space for all members while supporting its ongoing operations.

Policy Overview:

1. Minimum Monthly Spend

Each member is required to spend a minimum amount of **\$50** (fifty dollars) per month within the clubhouse. This spending can be used for food and beverages only. Any unused portion of the monthly minimum will be applied to the members AR account and will be due on the 5th of the following month.

All members are required to have a debit card or credit card on file in order to use the clubhouse facilities. You may pay your bill by cash, check, or card on file, but a card is still required.

2. Eligible Spend

The minimum spend can be used for:

- Food and beverages in the clubhouse restaurant and bar.
- It cannot be used for special events or club-hosted activities, such as tournaments, parties, or themed dinners.
- It cannot be applied for golf outing entry fees or general greens fees or clubhouse/pro-shop merchandise.

Note: Taxes and Gratuities are not counted toward the minimum spend.

3. Carryover and Rollover

If a member exceeds the minimum spend, the additional amount spent is appreciated, but there is no rollover credit for future pay periods.

4. Exceptions

If a social member joins mid-month, the monthly minimum will begin on the first of the following month.

5. Spending Account Tracking

All members will have access to their clubhouse spending history via ForeUP website allowing them to track their spending throughout the year and ensure they meet the requirement.

6. Communication

Members will be notified via email, through the ForeUP system, on the first of each month about their current spending status and any outstanding balance required to meet the monthly minimum.

Purpose: This policy is designed to foster a thriving social environment in our clubhouse, allowing us to provide high-quality dining, beverages, and service offerings that enhance your experience as a valued member of Monticello Golf Association.

We appreciate your cooperation in helping us maintain the clubhouse as the vibrant social hub it is intended to be.
